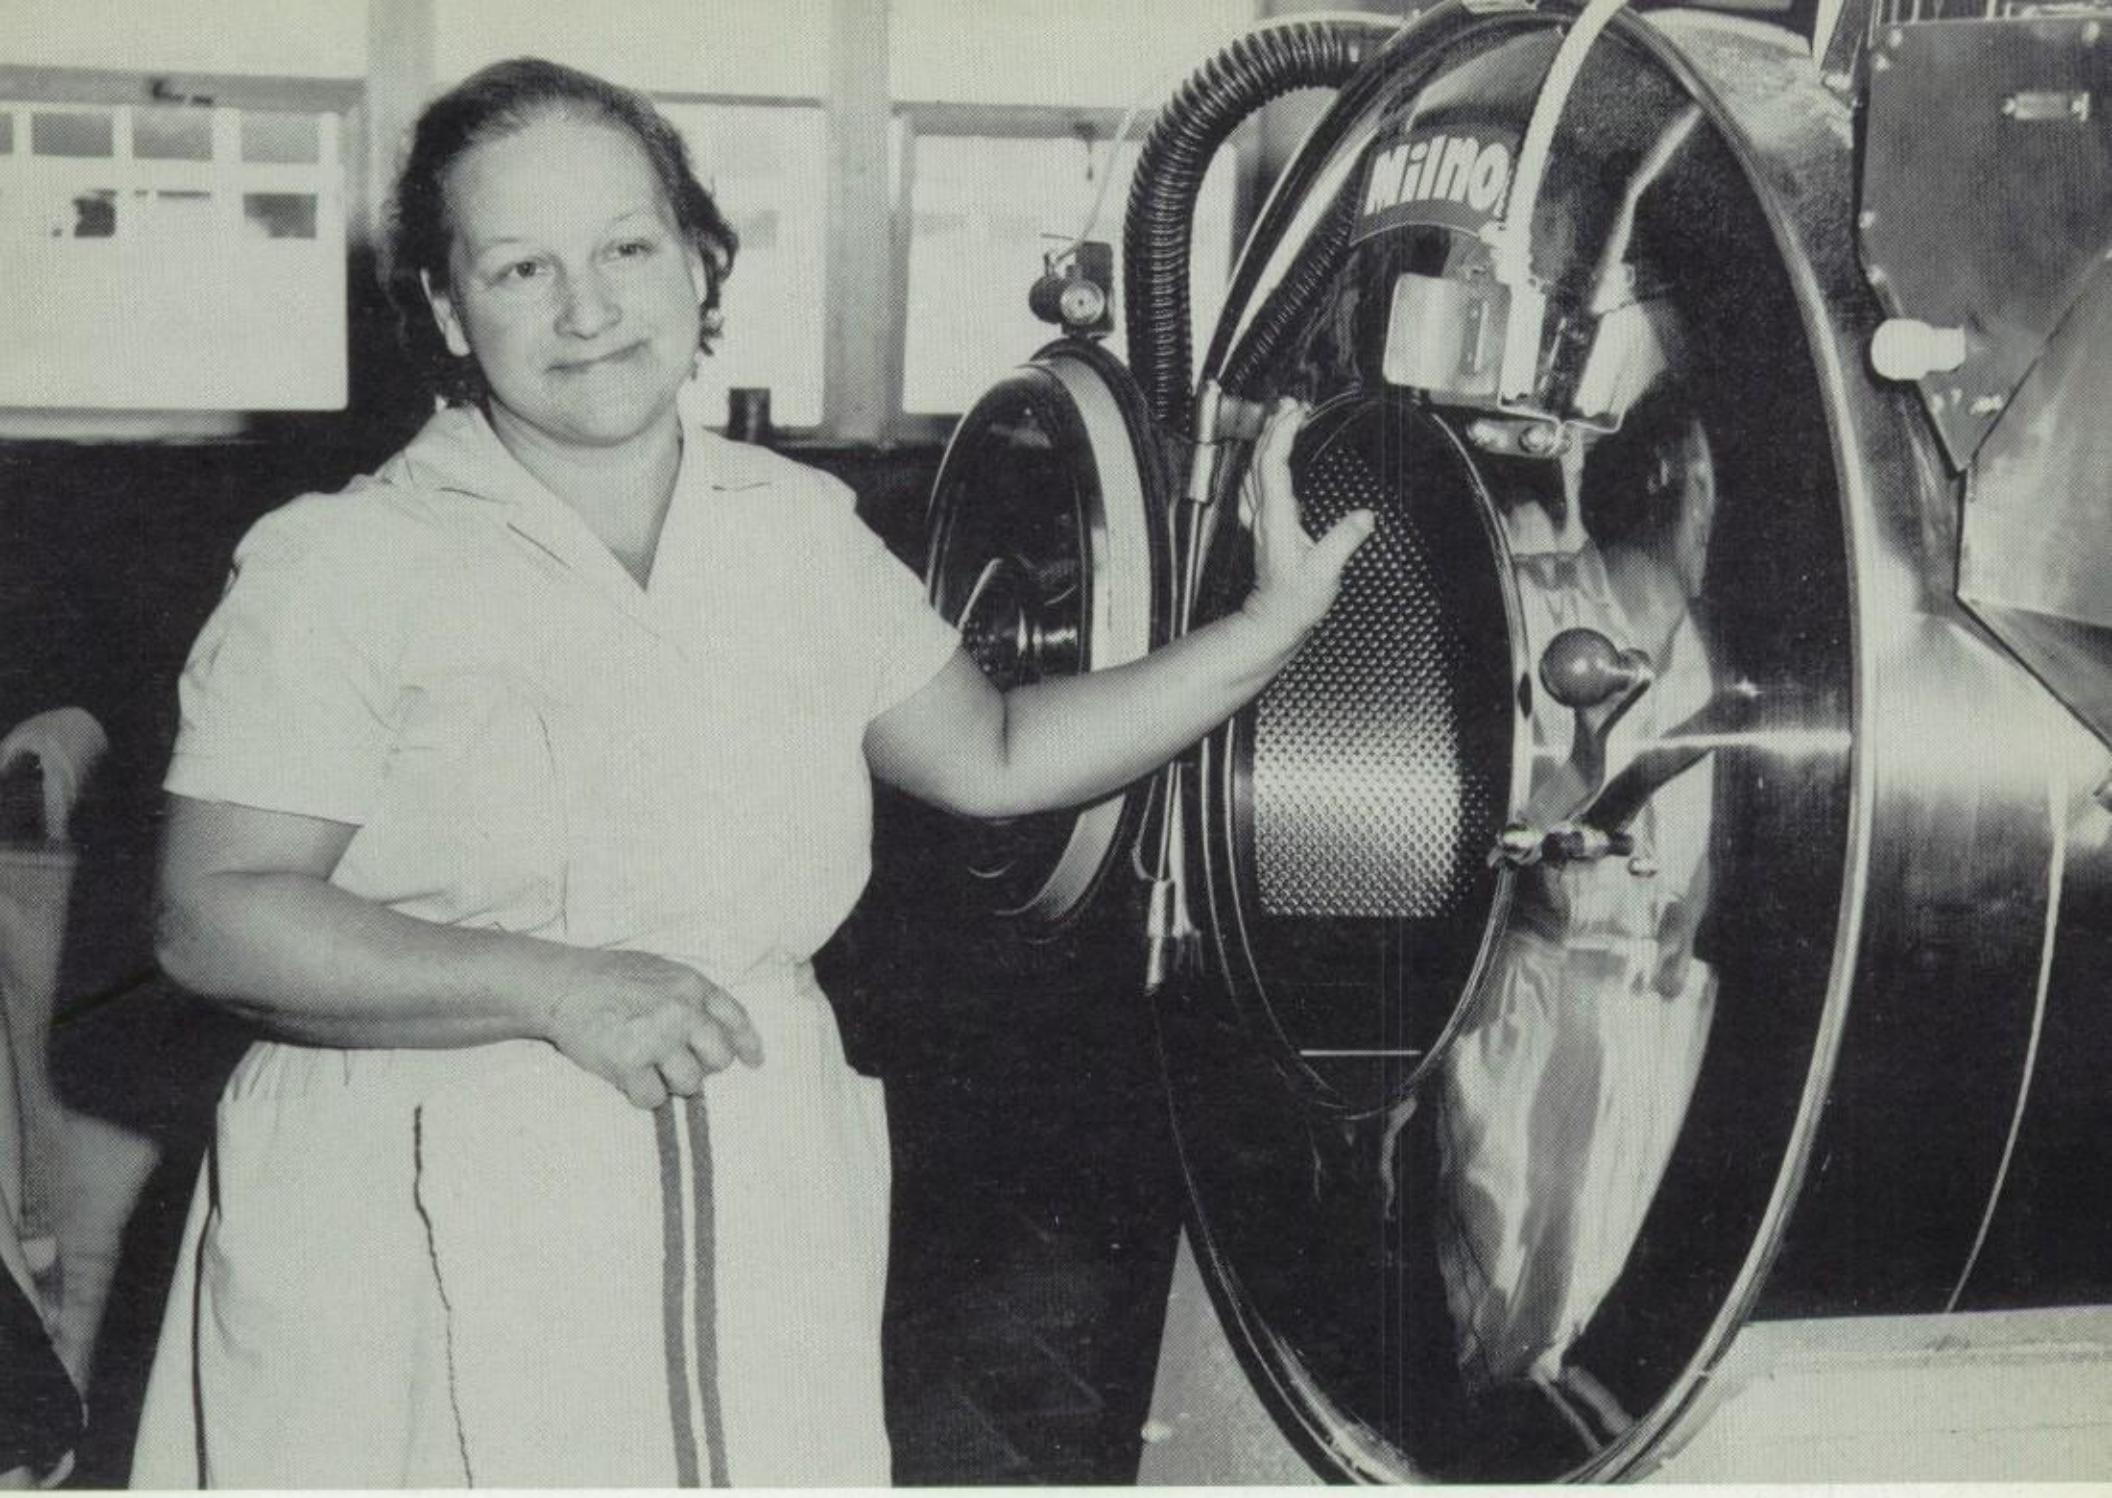
Mrs. Jessie England

"Our House Mother"



In Dedication

This year the student body proudly and fondly dedicates this 1965 edition of the ROCKET to Jean England.

Mrs. England takes a great interest in the students. Most of them know her personally and to many of them she is a good friend. She shares some of the students' problems and helps whenever she can. The students go to her tiny laundry room just to visit and to discuss last weekend's date.

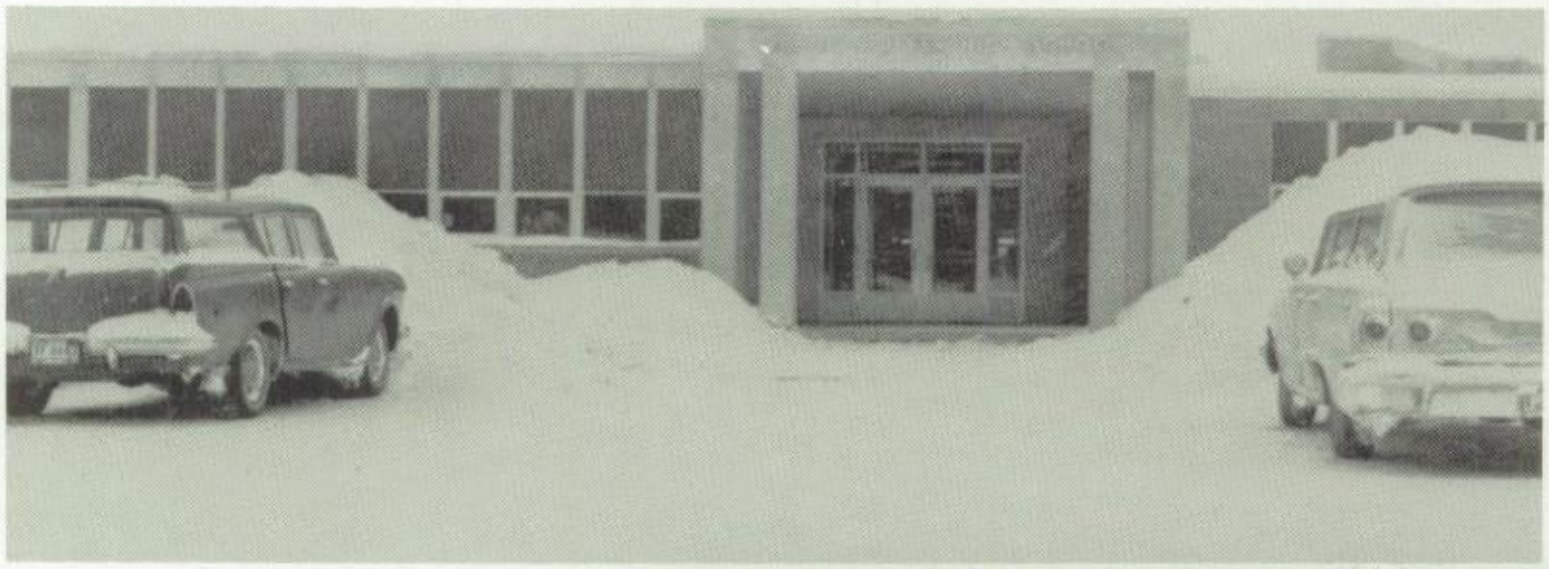
She also enjoys athletic events, especially football and has attended most of the games.

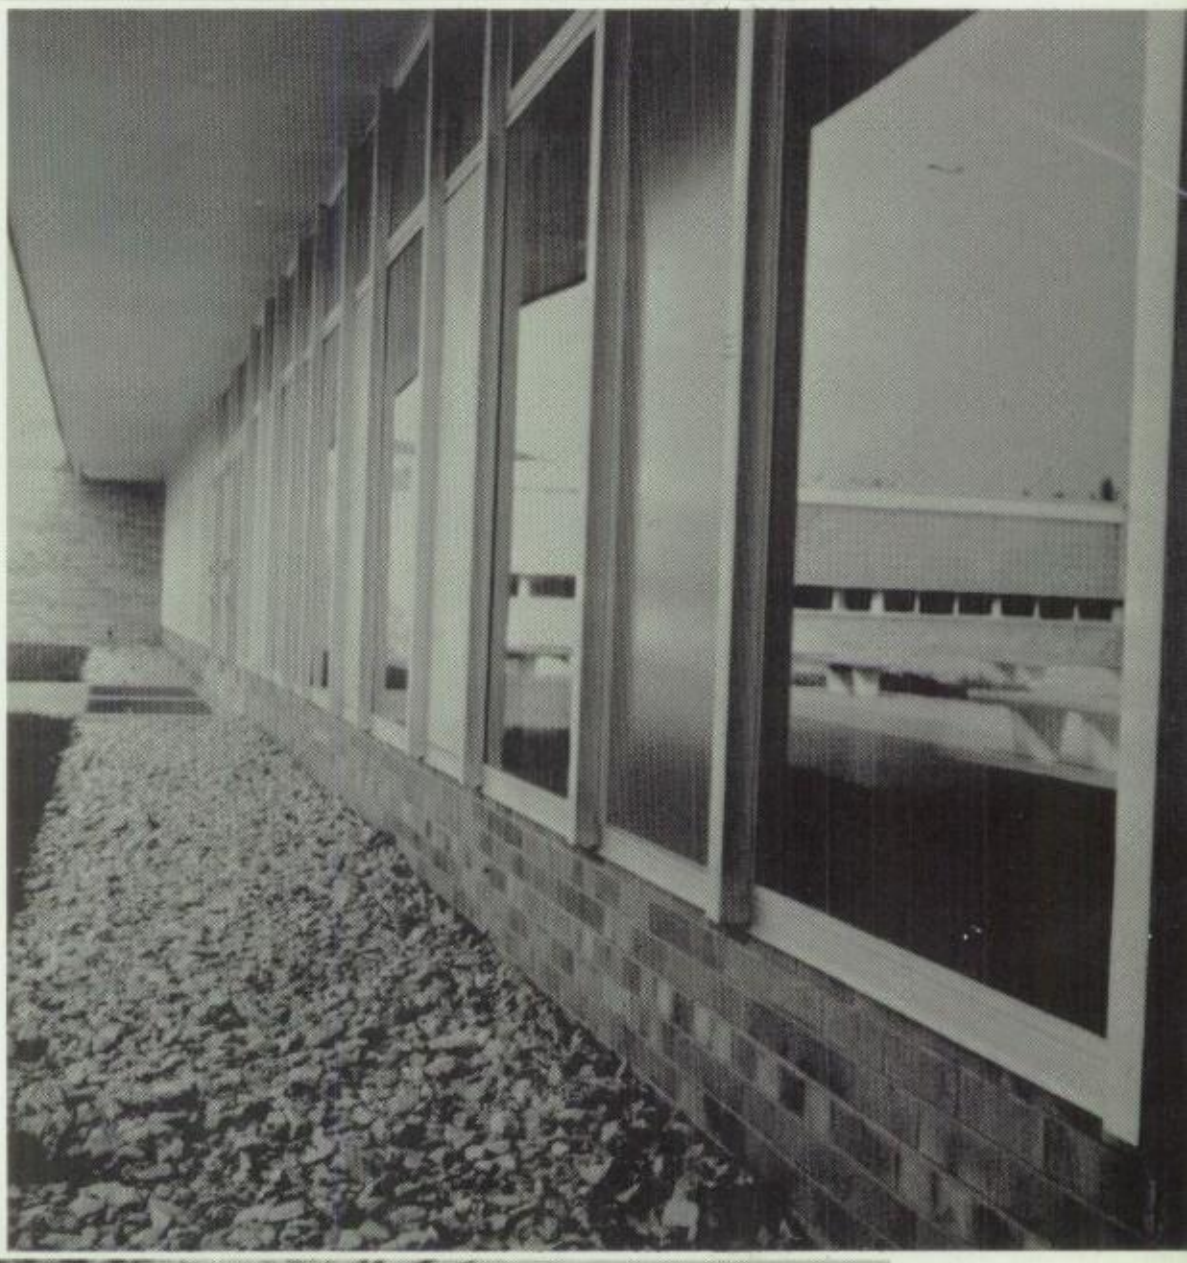
Mrs. England is the wife of Jessie England and also is the mother of six children and the grandmother of seventeen. She was born on May 29 in Jackson, Michigan and later moved to Muskegon.

She has been at Reeths-Puffer for seven years. Mrs. England spent one year of this as part-time kitchen help. During the remaining six years she has worked in the laundry keeping the player's uniforms, socks, and jerseys sparkling clean.

We sincerely hope that through this dedication we can show Mrs. England how deeply we appreciate her work and her friendship.

Retrospect





Although each new school year is basically the same as the preceding years, there are still outstanding achievements and experiences we will never forget. Triumphs and defeats; sadness and joy; hard work and enjoyment are all part of the everyday life of a student. These memories will remain in our minds and hearts for many years to come.

We hope that through this edition of the 1965 ROCKET you will be able to recall many faces and scenes of this past year.

Guests From Abroad

TROELS KROYER (Denmark)

Troels comes from a family of six. They live on a farm in Denmark.

Troels believes that American teenagers are kind, but they have no sense of culture. He also believes that Americans are independent, very privileged, and always in a hurry.

The thing that impressed Troels most is the campaign before the presidential election.

CARMEN MARIA ARMIJO (Chile)

Carmen doesn't think there is much difference between the teenagers of America and Chile.

Carmen also believes that the Americans, in general, are good people.

Roucogue, Chile has a population of 80,000. According to Carmen, Roucoge isn't very different from Muskegon except that it never gets cold there and the people can go swimming year round.

Our school is different for Carmen. In Chile the students have much more homework.

ANNAMAIJA SARANKO (Finland)

Annamaija feels that there are no big differences between the teenagers here and those in Finland.

Annamaija thinks that the Americans are kind and that they are interested in foreign countries.

She was most impressed when the seniors presented her with a class ring of "65".

In Finland the schools are run differently. The students stay in the same classroom all day, and the teachers rotate. Annamaija likes our school system better.

MARIA de LOURDES FARIAS (Brazil)

Maria feels that the Reeths-Puffer students are all very friendly.

She likes the American people and their way of life.

Since there is no snow in Brazil, Maria was looking forward to making a snow-ball. She likes the snow very much.

Ninth

The ninth grade team was a combination of Reeths-Puffer and Laketon players. The Laketon part of the team came over to practice after school with the Reeths-Puffer part. Both coaches came from Laketon. Although the season was not the best, it did show that the boys from both schools could work as a unit.

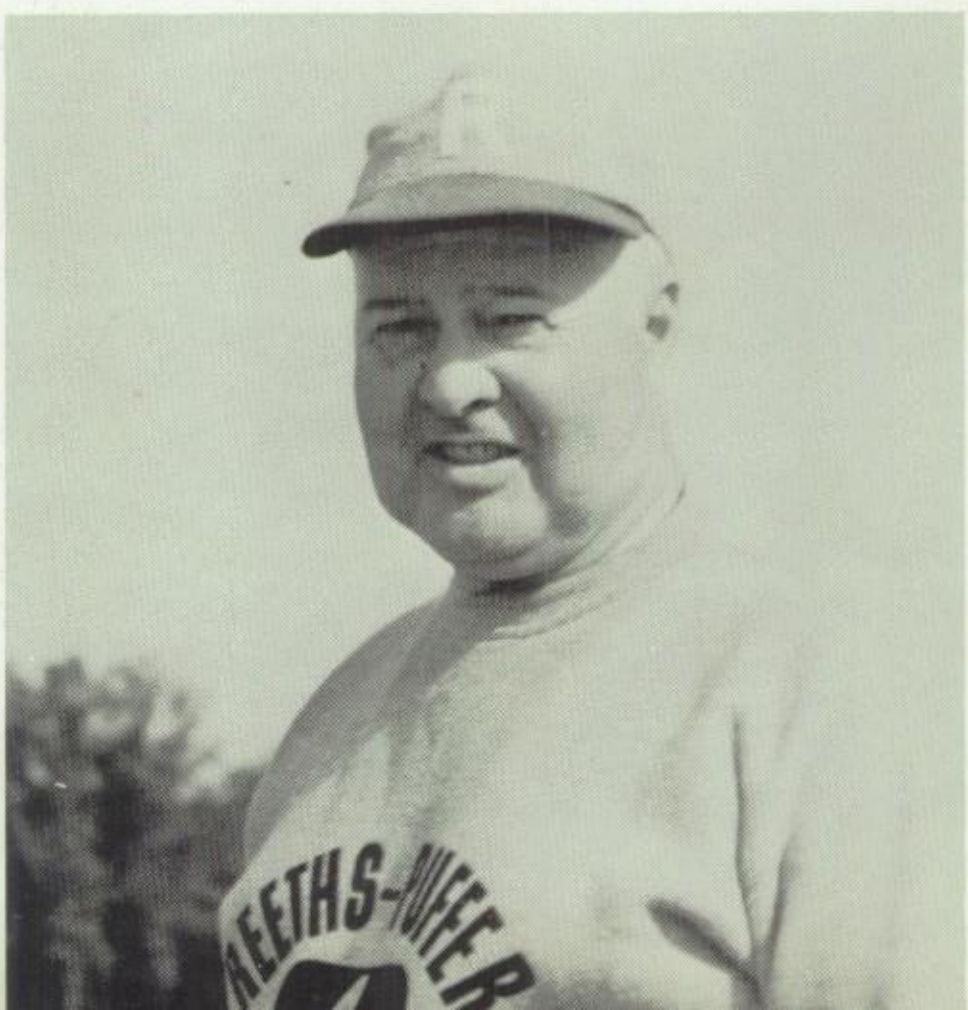
One more step to go.

Mr. McNitt coached this year's Cross Country Team. It's the first year we have offered this event.



Golf

The team consisted of Coach Mr. Lough, M. Nolan, R. Carlson, R. Broek, J. Panazzo, M. Ross.

The golf team won its first match in the history of the school by defeating Montague. They finished 4th in the Seaway Conference.

Tennis

The team consisted of D. VanDyke, L. Medendorp, H. Schultz, L. Bush, Coach Harry Voss, T. Hindes, D. Bacon, D. Withem, D. Cobb, R. Schaaf.

This year's tennis season offered definite improvement over last year's. They made the season complete by putting a couple of wins in the books. They participated in regional and city meets and did very well considering how young the tennis is in our school. Let's keep our fingers crossed that each year will be an improvement over past seasons.

Track

Curt Zuder broke the old shot put record.

Paul Oakes and Ron Buckhalter practice handoffs.

Reeths-Puffer had a few boys to make high achievements in track. Along with Curt Zuder's new shot put record, Harry Larabee broke the old 440 record, and Jim Edsall set a new half mile record. Ron Buckhalter, Paul Oakes, Harry Larabee, and Jim Edsall put their names on the board by setting a new mile relay time.

BACK ROW: Mgr. D. Eyler, A. Smith, E. Danz, H. Agard, B. Wachter, J. Sorenson, D. Petrick, C. Curtice, C. Zuder, J. Williams, S. Kanaar, N. Charles, R. Barding, D. Johnson, D. Burns, R. Shaw, G. Newest addition. (Coach W. Smith)

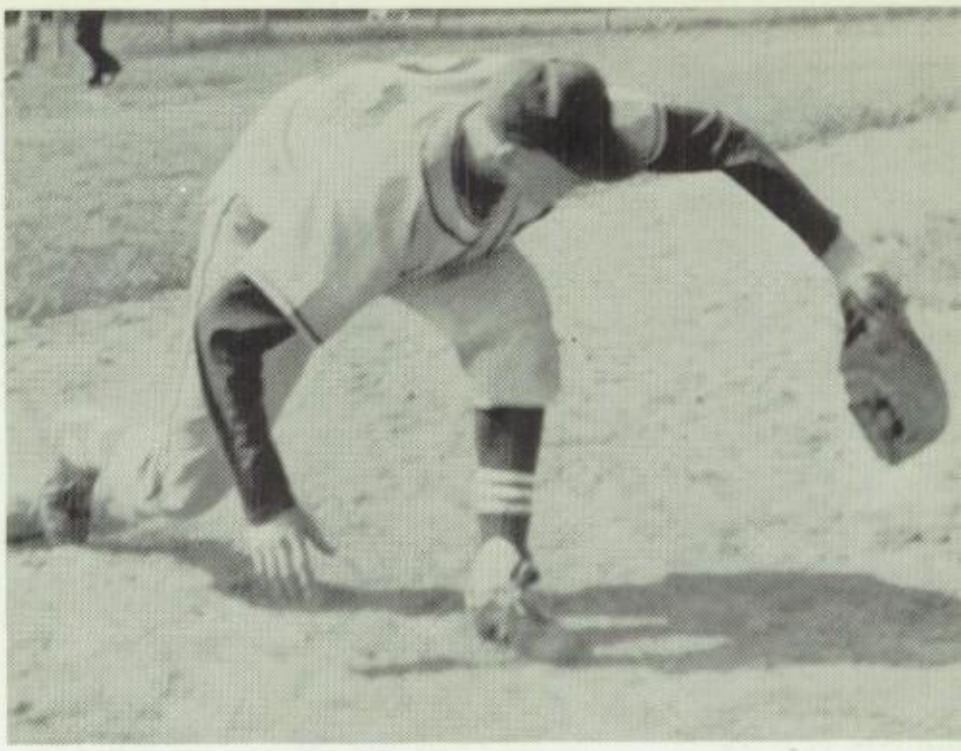
Is Dick Barnhard in first place or last?

Oh Maggo, you've stubbed your toe again! (Jerry Mitchelson)

This year's Varsity baseball team won 8 and lost 9. Nine boys received varsity letters in baseball. Mike Hiner was the most outstanding pitcher. He had five wins and three losses. Batting wise, Walt Springer had 16 hits and an average of .350 and Mike Hiner had an average of .347. Mr. Benson coached this year's team.

J. V.

Mr. McNitt and his gang of baseball players ended their season with 3 wins, 1 tie, and 6 losses. Although this wasn't the best, it was an improvement over past seasons.



Good reach.—Rod Rosema

These pictures highlight this year's sport season. The posters were made by the Pep Club. The President of the Seaway Conference, Mr. Sielski, after congratulatory remarks presented the Seaway Conference trophy to the Tri-Captains of this years football team—Paul Oakes, Dick Barnhart, Don Johnson. They in turn gave it to Mr. Bolthouse who presented it to Herb Cihak for the student body. The boys dressed as girls acted as Cheerleaders during the Pep assemblies.

Sports

Reeths-Puffer's varsity players started off fine again this year. In the first half of the season, they had a chance to be in first place but lost it to Whitehall. They succeeded in downing North Muskegon on their floor. With next year's team, and a couple of breaks, we should have a better season.

JV

The J.V.'s didn't have the best season but again they proved that the boys from Reeths-Puffer and Laketon could work together as a unit. After losing a valuable sophomore to the Varsity, the J.V.'s were left a little short, height wise. But they had very good out shooting. Ed Charles led the team in scoring.

BACK ROW: P. McKentry, T. Corradin, T. Spyke, E. Charles, W. Riley, Coach Lough. Middle row: T. Johnson, J. Kreisel, D. Summers, M. Emerson, J. Coverly. Front row: Manager, G. Fredericks, M. Nolan, D. Schalacci, H. Manning, I. Shine.

The freshman team was coached by Mr. Young, who came from Laketon. The team succeeded in beating the Laketon Wildcats twice. The boys showed good potential in a couple of games. The future of these boys as basketball players could be good. Let's wait and see.

Let's get that rebound!
